» Praça D. Pedro IV (Rossio)

*We are just here... in the main square of
Lisbon the best place to receive youngs in
Lisbon*

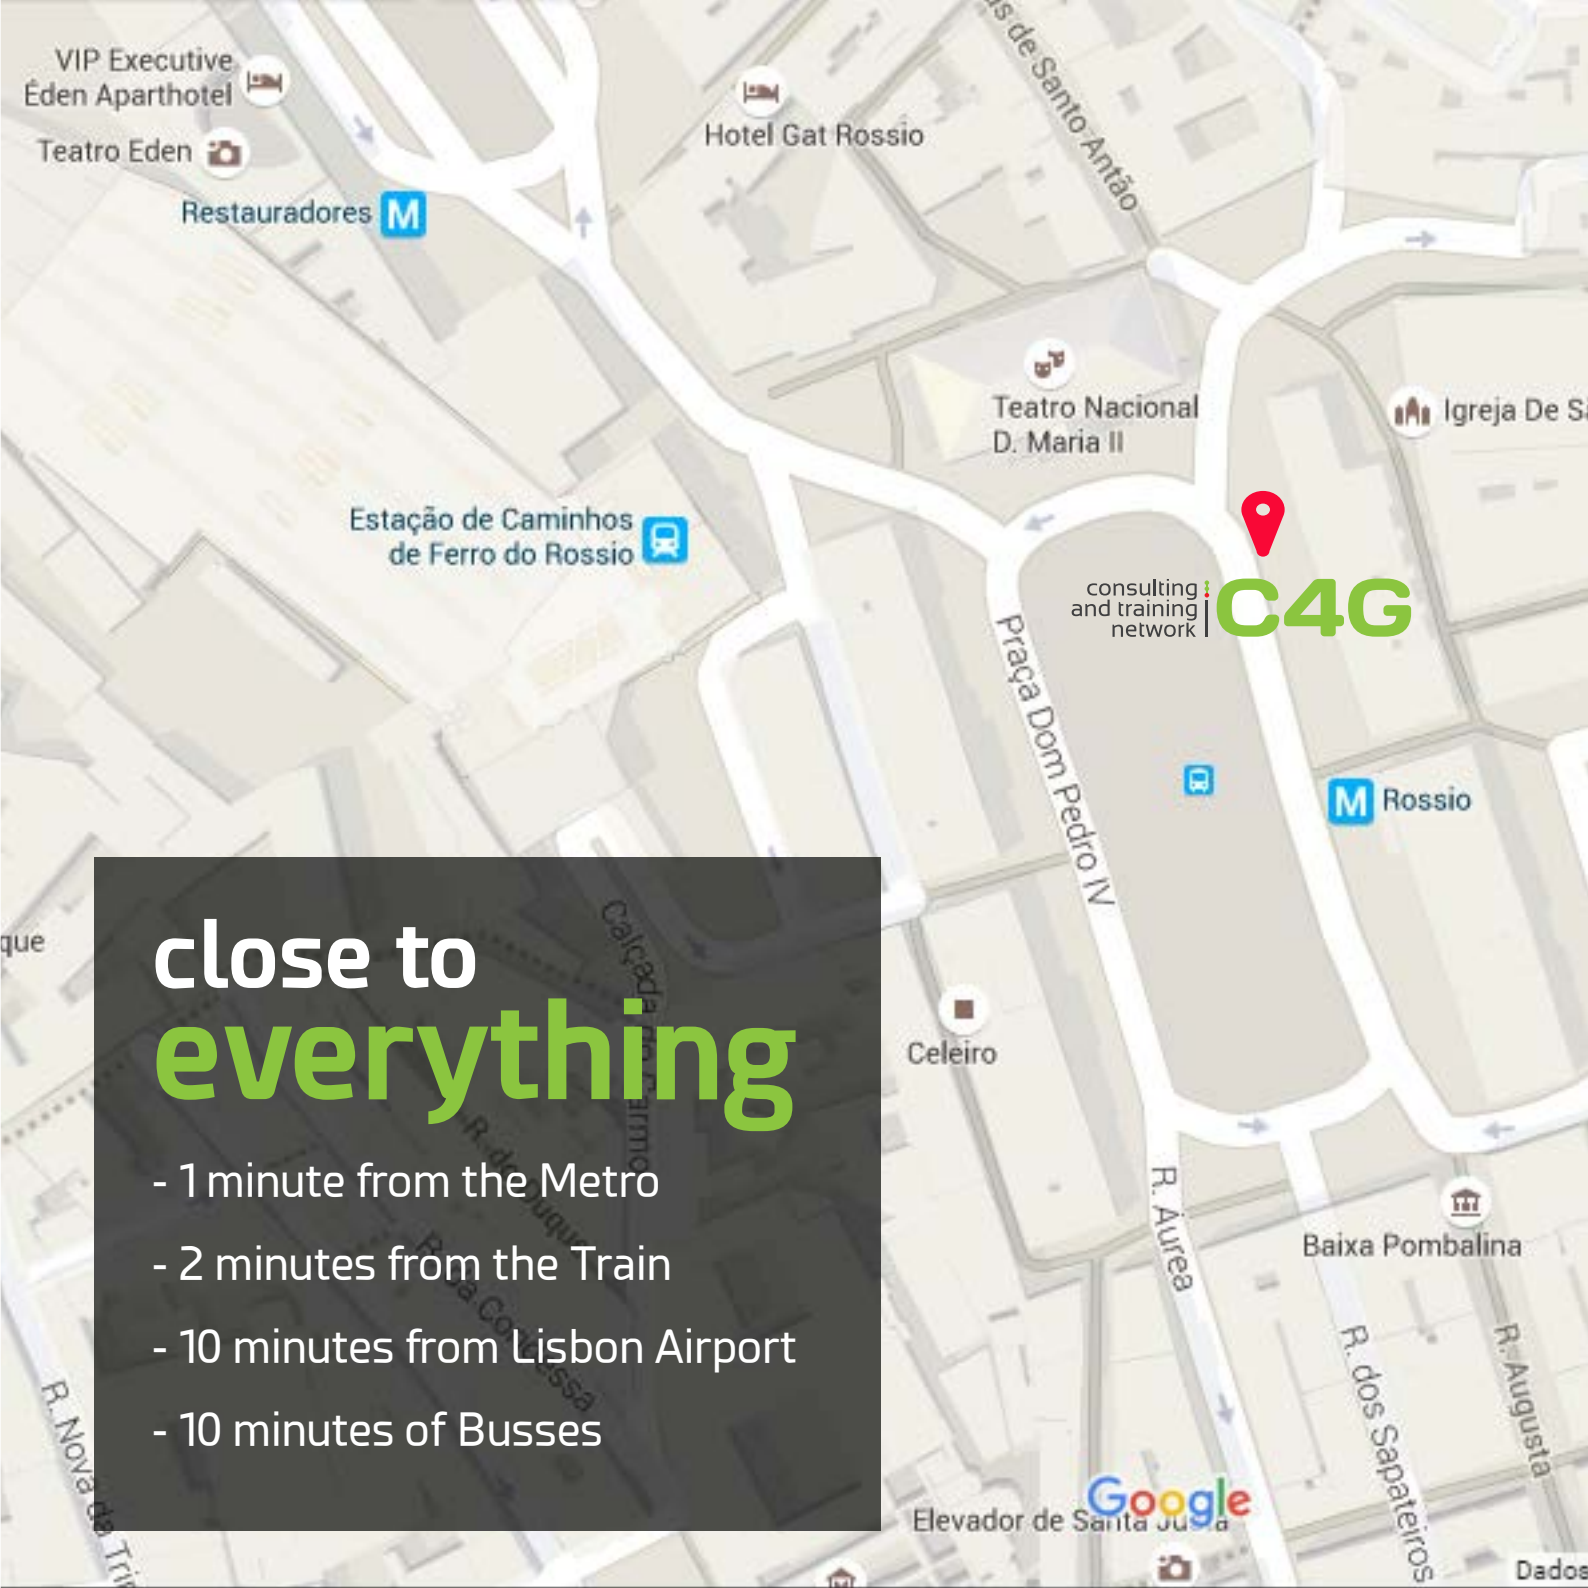

About us

With consolidated experience over the years in the field of vocational training, education projects, C4G - Consulting and Training Network offers a wide range of programs for participants, both young people and adults, in many different professional sectors, improving their chances on the labor market.

The hosting activity is organized based on needs identified by organizations working with the Erasmus + program and Erasmus Placement. The C4G - Consulting and Training Network acts not only as a Coordination and sending organization, but also as an intermediary Partner and Organization Hosting, working on the different types of mobility projects under Key Action 1 of the Erasmus +: in field of Education and Training and Youth.

We give beneficiaries who wish to have work experience in Portugal, good opportunities to develop their skills, abilities and professional knowledge, because, since we are a leading company in training in the Lisbon area, we have established several partnerships with companies where we have great opportunities to find suitable work placements to young candidates.

During the stay in Lisbon, C4G may propose and organize local trips and guided visits to the monuments and historical places in different cities of Portugal.

These activities are organized to help participants to get to know and understand everyday life in the Portuguese culture. These are usually organized during weekends:

Look

A photograph of the Vasco de Gama Tower in Lisbon, Portugal, at sunset. The tower is a tall, slender structure with a curved, lattice-like upper section and a flag on top. It is reflected in the water in the foreground. In the background, the city skyline is visible under a warm, orange and yellow sky.
