

European Student Placement Agency, UK

The European Student Placement Agency, based in Bath, UK provides quality internships for European students throughout the UK for a period of 6 months.

Their host companies vary from world-known corporations to fast growing start-ups in wide-ranging sectors. Important to highlight, they do not charge any placement fee to students or Universities. The benefits for students are: paid accommodation, paid utility bills (electricity, gas, water and council tax), WiFi and commuter travel to work all sourced and managed by ESPA. There is no salary over and above the benefits offered, unless specifically stated.

The vacancies they offer, help the students with extended high-level job experience in demanding positions that will sharpen their skills, enrich their CV and establish them in their work area enabling them to launch their career.
