

PIC Management

PIC Management is an agency dealing with realization of student internships abroad.

PIC Management's aim is to provide students mobilization through paid internships in Europe and Latin America. The main destination at the moment are: the UK, Ireland, France, Germany, Czech Republic, Greece, Mexico and Panama.

The internships they offer are in the touristic / company-related fields (but also in other fields). They have vacancies available right away and also in September.

The presentation link of their service:
