INVITATION

Dear President/Rector,

On behalf of the "Nicolae Bălcescu" Land Forces Academy of Sibiu and of the "MG Nicolae USCOI" Corps of Cadets of Sibiu, we are deeply honoured to invite the young researchers (students, Master's Degree students, PhD candidates, PhD degree holders and researchers not older than 35) of the institution that you represent to participate, in the on-line version (with educational platforms: elearning Moodle & Google Meet), in:

The International Student Innovation and Scientific Research Exhibition

- "Cadet INOVA'22" –

The "Nicolae Bălcescu" Land Forces Academy of Sibiu

07 - 09 April 2022

The event is held under the High Patronage of the The Romanian Inventors Forum and being registered in the Registrar of Trademarks at The State Office for Inventions and Trademarks, Bucharest, Romania, with number M 143894. The "Cadet INOVA" International Exhibition has as a general objective the support of innovation and scientific research, at national and international level, in the vision of young researchers. The Cadet INOVA scientific event represents an opportunity for young researchers to present their research results and innovations as prototypes, maquettes, computerized presentations of techniques and procedures accompanied by posters and to enter scientific partnerships in order to identify technological, industrial and research niches, all these leading to an increase in the degree of awareness, at the level of society, of the importance of the contribution of the young researchers to technological development and added value.

Young researchers (students, Master's Degree students, PhD candidates, PhD degree holders and researchers not older than 35) are invited to exhibit and present their
