

## Romania – Language and Civilisation

summer courses, organized each July at the Alexandru Ioan Cuza University of Iași.

## Testimonials

**Željka VASIĆ (Slovenia)**

I am surprised that I learnt so much in such a short time. I will always remember the time I spent in Iași. I am sure that I will return to Iași soon.

**Jochen SCHMIDT (Germany)**

I've been to Romania a couple of times and I must say that Iași was the most special of them all. It was very interesting for me to find here such a large university, with a visible tradition and an impressive prestige.

It is difficult to explain to the others why they should study Romanian. But anyone who has started studying would immediately understand why.

**Siret SALM (ESTONIA)**

I had a wonderful time here in Iași and I appreciate the experience very much! Everything was very well organized!

Suur aitäh! (Thank you)
